

DYMO®

LabelManager®

260P

Portable and Rechargeable Label Maker

Uninterrupted labeling power wherever you need it with no more AA batteries

Powered by a rechargeable lithium-ion battery

DYMO® LabelManager® 260P label maker eliminates the inconvenience of AA batteries – Charge and go unlike an AC adapter, labeling power whenever you need it. The sleek new design is perfect for any office or workspace. And it's packed with new features – inspired by consumers – that help you get the results you want with more ease and convenience.

LabelManager® 260P Features:

- 1 Large 1.18" x 2.36" screen displays two lines of label text
- 2 Graphical display lets you see text effects on screen before you print. This means no more guessing what the label will look like. "What you see is what you get!"
- 3 Work faster with an improved user interface that displays all menu items without scrolling, and includes intuitive icons for formatting options
- 4 Customize labels and add emphasis by choosing from 3 fonts, 6 font sizes, 7 text styles, and 8 different box styles or underline
- 5 Powered by a rechargeable lithium-ion battery – the same technology used in mobile phones and laptops. Eliminates AA battery inconvenience, expense and disposal
- 6 9-label memory and "save text" feature
- 7 Print up to 10 copies of the same label
- 8 Enter text quickly using the familiar ABC-style keyboard
- 9 Quick access to special symbols including punctuation and currency

Fast and Easy

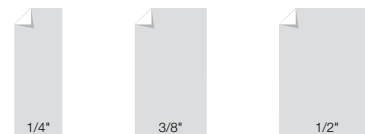

1. Type

2. Customize

3. Print

4. Stick

Label Versatility

Uses DYMO® D1 labels in 1/4", 3/8", and 1/2" widths.

Item # 1754490

List Price: \$89.99

D1 Labels

Standard, Permanent or Flexible...
no labels are more durable.

Standard labels* for hundreds of tasks around the office or home office, such as filing, storage, asset management, and reminders. Available in continuous label cassettes, you can create sharp, easy-to-read labels of just about any length.

Permanent labels look the same as standard labels but offer a powerful permanent adhesive for when you want a label to stay put indefinitely.

Flexible labels are for curved and/or heavily textured surfaces and flag-marking cables. Its permanent adhesive means it will stay put.

Easy Peel

UV Resistant

Water Resistant

*Temperature: -40° F to 194° F
