1 About Your New Label Maker

With your new DYMO LetraTag® label maker, you can create a wide variety of high-quality, self-adhesive labels. The label maker uses DYMO LetraTag (LT) 1/2 inch (12 mm) label cassettes. LT label cassettes are available in a variety of colors and materials such as paper, plastic, metallic, magnetic, and iron-on.

Visit **www.dymo.com** for a complete User Guide and for information on obtaining labels.

Product Registration

Visit **www.dymo.com/registration** to register your label maker online.

2 Getting Started

Follow the instructions in this section to print your first label.

Inserting the Batteries

1. Remove the battery compartment cover.
2. Insert the batteries following the polarity markings (+ and –).
3. Replace the cover.

! Remove the batteries if the label maker will not be used for a long period of time.

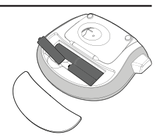

Figure 1

Inserting the Label Cassette

1. Lift the label cassette cover to open the label compartment. See Figure 2.
2. Insert the cassette with the label positioned between the print head and pinch roller.
3. Press firmly until cassette clicks into place.
4. Close the label cassette cover and press On/Off to turn on the power.

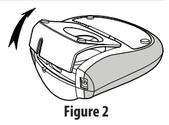

Figure 2

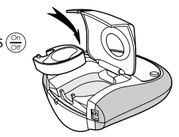

Figure 3

Selecting a Language

1. Press Settings.
2. Use the up or down arrow key to select **Language** and press OK.
3. Use the up or down arrow key to select the language you want and press OK.

Setting the Date and Time

1. Press Settings.
2. Select **Set Date** and press OK. The default date is displayed.

3. Use the left or right arrow key to move the cursor over each setting (month, day, and year) and use the up or down arrow key to increase or decrease the value.
4. When finished, press OK. The default time is displayed.

5. Use the left or right arrow key to move the cursor over each setting (hours and minutes) and use the up or down arrow key to increase or decrease the value.
6. When finished, press OK.

Printing Your First Label

1. Enter text to create a simple label.
2. Press Print.
3. Press the cutter button to cut the label.
4. Remove the paper backing from the label to expose the adhesive, and then attach the label.

4 Designing Your Label

Changing the Font Size

Five font sizes are available for your labels: Extra Small, Small, Medium, Large, and Extra Large.

1. Press the Menu key.
2. Select **Size** and press OK.
3. Select the desired font size and then press OK.

Adding Font Styles

You can choose from six different font styles:

AaBb	Normal	AaBb	Outline
AaBb	Bold	AaBb	Shadow
AaBb	Italic	AaBb	Vertical

1. Press Menu.
2. Select **Style** and press OK.
3. Select a font style and press OK.

Creating Two-Line Labels

1. Type the text for the first line and press Insert.
2. Select **Second Line** and press OK. A multi-line symbol is inserted at the end of the first line, but will not print on the label.
3. Type the text for the second line.

Adding the Date

1. Press Insert.
2. Select **Date** and press OK.

Adding Box and Underline Styles

You can highlight your text by choosing a box or underline style.

ABC123	Underline	ABC123	Edged
ABC123	Square	ABC123	Train
ABC123	Pointed	ABC123	Sweet Hearts
ABC123	Rounded	ABC123	Flowers
ABC123	Crocodile		

1. Press Menu.
2. Select **Borders**, and press OK.
3. Select underline or a box style and press OK.

Adding Symbols

1. Press Insert, select **Symbols**, and press OK. The first row of symbols shown in the table appears in the display.
2. Use the arrow keys to move to the desired symbol. The left and right arrows move horizontally along a row of symbols. The up and down arrow keys scroll vertically through the rows of symbols.
3. When you locate the symbol, press OK to add the symbol to your label.

Special Characters and Symbols

The label maker supports the symbols shown below.

1 A propos de votre nouvelle étiqueteuse

Grâce à votre nouvelle étiqueteuse DYMO LetraTag™, vous pourrez créer une large variété d'étiquettes autocollantes de grande qualité. Cette étiqueteuse utilise des cassettes d'étiquettes DYMO LetraTag (LT) de 12 mm. Les cassettes d'étiquettes se déclinent dans un vaste éventail de couleurs et de matériaux comme le papier, le plastique, mais aussi les rubans métalliques, magnétiques et de transfert textile.

Rendez-vous sur **www.dymo.com** pour consulter le Guide d'utilisation complet et pour savoir comment obtenir des étiquettes.

Enregistrement du produit

Rendez-vous sur **www.dymo.com/registration** pour enregistrer votre étiqueteuse en ligne.

2 Mise en route

Suivez ces instructions pour imprimer votre première étiquette.

Insertion des piles

1. Retirez le couvercle du compartiment à piles.
2. Insérez les piles selon les marques de polarité.
3. Remettez le couvercle du compartiment à piles.

! Retirez les piles si l'étiqueteuse ne doit pas être utilisée pendant une longue période.
